# Boy Scouts of Hawaii in Action

## CATHOLIC TROOP BACK FROM CAMP

All bearing tales of a hearty good time, members of Troop II, Catholic Boy Scouts of Hawaii, returned Wednesday from Heela, windward Oahu, where they camped for several days in charge of Rev. Father Reginald Yzendoorn of the Catholic cathedral.

The boys "roughed it" in true campers' style, making the hike over the Fall on foot and sleeping in tents which were sent before them in motor trucks. During their stay at Heela they were joined by Charles Ah Mun, leader of the Mongoose Patrol of Troop I, who graduated from a culinary school in China. He is an expert cook and gave the boys much useful instruction. Joe McKeague, a member of Troop I, who came over for a short visit on his "bike" Sunday, and his brother, Sylvester, a patrol leader of Troop II, were promoted to first-class scouts, August 27.

The scouts celebrated their last night in camp with an immense bonfire, around which Indian dances and Hawaiian songs, followed by tales of stirring adventure by the scoutmaster, was the order of the evening.

Alvin Silva, troop scribe, has the following praise for Heela:

"The boys of Troop I, of which I am a member, have been camping in a great many places around the island, but no place can beat Heela. Splendid scenery, a fine, grassy yard to pitch our tents in; pure drinking water on the place, firewood within easy reach, and sea and fresh water bathing at about five minutes from camp, are circumstances which combine in making this an ideal place for our purpose."

### TROOP IX DISCUSSES CAMP

The meeting of August 25 was called to order at 7:45 o'clock by Scoutmaster Haehnlen.

The roll was called. There were twenty-three present, fourteen absent; one, official; and three officers present.

The reading of the minutes was suspended.

Good turns were talked about by the scoutmaster.

President Kuehn took the chair.

The camp at Kailua was discussed by the troop. It was decided to enter all of the contests with as many boys as possible. Senior Leader Kuehn wishes to challenge any scout or scouts to a race in semaphore signaling at the rally.

The program and schedule of the rally were read by the scribe. The meeting was adjourned by the scoutmaster.

E. J. CRANE, Asst. Troop Scribe.

### ROOSEVELT'S NEW SCOUT WORK.

Theodore Roosevelt's acceptance of a place on the troop committee of Troop II, Oyster Bay, is further evidence of a pronounced tendency among men of affairs in their relation to the Boy Scout movement.

Scouting has always claimed the attention of prominent men because men of wide experience are more likely to realize the necessity of dealing with boys in the adolescent stage and to appreciate the results which have been achieved by the scout program. Recently there have been more and more instances of active participation in scout work by men of manifold interests and nation-wide reputation. These men seem to appreciate the fact that only by personal contact with boys can they bring to bear the influence of their personalities, and men are coming to feel more emphatically the duty they owe to the boys of the community who look to them for leadership.

### BOY SCOUT RALLY SONG.

(Dedicated to the Boy Scouts of America.)

By Charles W. Hubner.

As close as ivy tendrils twine,  
Around the oak's proud form,  
And thus become a part of him,  
In sunshine and in storm,

So we, thy sons, America!  
Our country, free and great,  
Entold thee with our loving arms,  
To share with thee thy fate.

Grow with thy strength and flourish in  
The sunshine of thine eye,  
Or should the lightning shatter thee,  
Cling to the wreck and die.

Forever one in weal or woe,  
Of thine own life a part,  
America! give us thy love,  
As we give thee our heart.

## HAWAII'S SCOUTS CONGRATULATED

Boy Scouts of America, Headquarters National Council, New York City, August 2, 1916.  
Mr. Harry S. Hayward, Scout Commissioner, Honolulu, Hawaii.

Dear Mr. Hayward—I am glad to advise you that the National Court of Honor has authorized the approval of the Merit Badge applications which you sent us recently.

I wish to congratulate these boys on behalf of the National Court of Honor on their achievements and hope that they will win many more of these honors. Yours sincerely,  
W. A. PERRY,  
For the Boy Scouts of America.

### TROOP VII REPORTS ACTIVITY

August 30, 1916.

Saturday, August 26.—Meeting was called to order at 1 p. m. Opening hymn "Help Somebody Today." Opening prayer by Asst. S. M. Mr. Knot. The roll was called. Minutes of previous meeting were read and moved to be accepted. Mr. Nott, assistant scoutmaster of Troop VII, made a few announcements. Good turns were reported by four scouts. Jos. Hosea made a report. Ah Fo Pang also made a report. "Individual Marks" was read by Jos. Hosea. The assistant scoutmaster and the boys decided about the troop flag. Meeting adjourned at 7:45 p. m.

Friday, Aug. 25.—A concert and farewell social was held at the Mission hall in honor of Mr. Harris, scoutmaster of Troop VII. The campfire girls and the scouts and others took part in the concert. Some of the events were songs, songs and act by the campfire girls and a message by the scoutmaster sent by signaling. After that they had lemonade and all enjoyed themselves.

SAICHI OBA, Asst. Troop Scribe.

### HINTS ON KINDNESS TO ANIMALS

Suggestions have been offered by the New York Women's League for Animals in the interest of following out more efficiently Scout Law No. 6. It is very probable that some effort will be made in the future to distribute information of this kind among scout officials.

The suggestions whereby boy scouts may show kindness to animals are as follows:

1. Picking up nails and other sharp objects from the street which might injure horses.
2. Smashing down tin cans so that cats cannot get their heads fast in them.
3. Stopping children and others from tying tin cans to dogs' tails.
4. Protecting birds by restoring little ones to their nests or thwarting boys from destroying birds' eggs or young.
5. Reporting genuine cases of cruelty to animals to the proper authorities.
6. Reporting violation of the game laws.
7. Rescuing stray or injured animals.

### TROOP VIII

Minutes of the last meeting read and approved. Patrol Leader Macconell took charge of the meeting as Scoutmaster Bryan was not present. The meeting was to review some things which the boys might have to do at the annual rally to be held at Kailua. All the boys will please read the program which will be sent to them. Prof. Bryan will be at the rally. All scouts be present next Friday, by order of Mr. Bryan.

R. MACCONELL, Scribe.

## HAWAIIAN-BORN JAPANESE TO ENTER INTO POLITICS

Twenty-six Hawaiian-born Japanese who wished to form a political organization which is to be entirely free from any religious connections met at the residence of T. Murakami on Pensacola street Tuesday night. Dr. T. Katsunuma acted as chairman and Solomon Fukumura as secretary. The meeting discussed the matter and organized an association which will be called the American-Japanese Citizens Association of Oahu. A drafting committee was selected to prepare the by-laws and regulations of the association, composed of Arthur K. Ozawa, Naotaro Inouye, and J. Maeda. Lorin Andrews will be their adviser.

ONE of the most interesting features in the printing situation is the type of firms and men who use Star-Bulletin Printing.

The list of Star-Bulletin Printing users shows an exceptional average as to substantial rating and strong position in affairs.

The typical user is a successful man who thinks for himself, and who owes his place in the world to his habit of getting the facts and using his own judgment. His whole habit of life has taught him to seek efficiency.

### TROOP V PAYS RESPECTS TO QUEEN

Meeting was called to order at 7:30 p. m. by the scoutmaster, 23 being present, two absent and four excused. The minutes of last meeting were read and approved. The troop yell was given for the benefit of two visitors. Our big camp was in order and things hummed until 9:35.

Charles Copp was placed in charge of the troop while at the Kailua school on Saturday afternoon.

Saturday at 2 p. m. Troop 5 reported for duty under the care of Scout Copp. They did good work and were given high praise for their attention to duty and their respect to the queen.

Several acts of kindness were shown elderly persons by the scouts. All of the boys of Troop V will report for duty on Tuesday, Thursday and Friday evenings at 7:30 for practice work. Troop V certainly is proud of Brother Henry, through our commissioner, Mr. Hayward, to allow our scouts to go to camp on Tuesday noon and give him our sincere thanks for his kindness, for to lose six of our troop, who are with St. Louis College, would prevent us from winning a part of the many prizes awarded for stunts. Mr. Hayward will make special arrangements to take the boys over on Tuesday afternoon.

Our troop is going out to camp to win, and "win we must" is our motto. All are good scouts and are proud to be "The Queen's Own Scouts" of Honolulu.

We are also proud to state that we are the first troop to produce the first Life and Star scout of the Hawaiian Islands. Star Scout Leo De Roo will not be with us as he is on the mainland. Joe Ikeole, William Ho, Clarence Silva, David Nacole and William Holt went to Fort Snatter on Sunday with their scoutmaster to a competitive flag drill by a sergeant of Company M, Signal Corps, who decided the ability of each in sending and receiving signals by semaphore and Morse codes. It was decided by a close margin that Ikeole was a shade the best of the two and the medal was awarded him to keep for six months. Nacole was more accurate, but a little slow and the sergeant told us that he would like to have all four of the boys the next time, and he believed Nacole would win out, as he gave Ikeole a very close shave for the prize this time.

We will have 26 out of 29 scouts in camp, which will give us a big percentage.

CLARENCE SILVA, Troop Scribe.
